

Our next BiG! Charity Project (Summer of 2020) benefits public-school children who we'll host, bi-weekly, offering group "Art Interactives" for socialization, skill-building, and creative/emotional well-being.

*Now available virtually

6PROJECT MISSION

To reach underprivileged children negatively affected by social distancing who would benefit from an online, socially-interactive & art-focused group therapy, bi-weekly.

OUR BUDGET

We project to provide, free of charge; Associated supplies, books or project materials, webinar & hosting fees, operational expenses, and sponsorships for qualifying *Sponsored participants on a first come, first serve basis, for as long as we can.

HOW WE HELP with COVID-19 Relief Efforts

We hope to offset any negative social effects, restraints to education, or imbalances to changing social norms that result directly from the tragic impact of the COVID-19 pandemic of 2020—
